Woah!
SWOOP
Nice catch!
Can do it on instinct now!
That's great! We gotta get you using it more then, see what Inkbolt can really do!
I'm up for it! We barely know what powers that tape gave us.
I can beat these dishes, but what about a real fight?
I'm not sure where to even begin with him.

Should you really be getting so close?

I'm a toon, Blot! What's the worst that can happen?

The introduction to the packing system is tomorrow, dude.

Guess I can't blame your excitement to get to working.

Hello. I'm Toma. You're..?

DING!

Hey Olivia, one package for pickup: a grown-ass adult playing in our tubing!

Toma, I think I'm worn out. Gonna hide for a bit in ya. . .

Nice to meet you, Olivia!

Count your lucky stars Ace told Parmesan where you went. So what's your real name?

Tomàs.

Cute. Mine's Rhodette, but Rho or Rose is fine.

There's a few other humans who got pulled into here. I'll take ya to meet them sometime.

Uh, where'd you get that?

Olivia. Thought I'd be thirsty. She was right!

Olivia's wonderful. Everyone here is great. The city, notsomuch. Every day is a DRAIN.

Tell me about it. Feels like this is the first time I got to rest since I arrived. Rare occurence?

You bet.

If you really do have some sort of power, there's people in this city who could use help.

For now, just take care of yourself.

Toma! Rad job today! I think tomorrow we'll get you started on how deliveries work, but tonight you earned that bed, dude!

Remember, I get the top bunk!

Cool! What does that mean?
